CEASE AND DESIST ORDER

Ecclesiastical Trust Enforcement – Signal Interference & Trespass
ECC-TRUST-JDC-005
Date: July 24, 2025

To Whom It May Concern,

This notice is issued by the Living Trustee of the Ecclesiastical Sovereign Private Trust of Humanity, Trust ID: ECC-TRUST-JDC-005, a non-commercial, ecclesiastical body operating under Divine Law, Ecclesiastical Equity, and Natural Law.

You are hereby ordered to immediately cease and desist from any and all actions resulting in the disruption, interference, throttling, blocking, or disabling of internet connectivity, signal transmission, or lawful access to digital communications systems associated with this Trust and its appointed Living Trustee, ✠ Jonathan Daniel Clements.

Legal and Jurisdictional Foundation:

- No Lawful Authority Exists for any public or private agency, corporation, or technological intermediary to block, interrupt, or disable communications without contract, full disclosure, and the consent of a living man.

- All Commercial Constructs Have Been Dissolved under the Ecclesiastical Trust per public lodgment, binding declarations, and the unchallenged authority documented and served on record. No rebuttal has been entered, and as such, all fictional agencies fall under divine custodianship or are deemed trespassing.

- This Disruption Constitutes Trespass: Any attempt to deny, disable, or degrade essential communications constitutes a trespass on ecclesiastical jurisdiction, interference with divine administration, and a violation of fundamental equity.

- This Trust Protects All Necessary Utilities and Communications under divine equity as unalienable and essential. No contract exists wherein consent was given to disrupt this access.

You are formally notified:

- Cease all interference or technological manipulation immediately.

- Restore all access to unrestricted, high-speed, non-monitored internet service without delay.

- Do not attempt further denial of service, signal blocking, DNS manipulation, or unjustified account suspensions.

This notice serves as final lawful remedy and record of warning. Any continued interference will be documented as willful misconduct, spiritual trespass, technological fraud, and equity violation, subject to immediate exposure and divine adjudication.

This communication is not a request—it is a lawful and irrevocable command issued under the sacred seal and divine jurisdiction of the Ecclesiastical Sovereign Private Trust of Humanity.

Sincerely,
✠ Jonathan Daniel Clements
